

VALENTA TAKES ARMED PAIR FOR MURDER ATTEMPT

Chicago Labor Leader Shot
at Brown's Lake By Two
Gunmen.

While Frank Valenta patrolled his route Saturday afternoon about 1:30 o'clock a Buick coupe bore down on him at a high rate of speed. He signalled for them to stop but it only increased its speed through the town of Antioch. After two futile attempts to halt the car he finally brought it to a stop before the Antioch High School.

Less than an hour before the capture of the speedsters James Lynch, \$2, Chicago labor leader had been shot in the presence of his wife and small children and left for dead in the back yard of his home at Brown's Lake, near Burlington, Wis., where he and his family had recently moved from Chicago. Two cars drove up while the family and two men friends were in the rear of the house talking. Two men, said to have been Martin and Elliott, the two who were caught here, got out of their car while the other car with two occupants remained parked. According to reports the men engaged Lynch in conversation pretending that they wanted to rent the cottage next door to his, while his wife and children and two friends walked to the opposite side of the yard.

No Argument.

Mrs. Lynch said that she heard no argument and never dreamed that trouble was brewing until suddenly the two men drew revolvers and began shooting. When her husband fell to the ground, they fled to their car and sped away, while the other car went in an opposite direction.

Sheriff Doolittle was notified by the Racine County officers as well as a number of police departments in Wisconsin and Illinois, with a description of the gunmen and their cars.

Valenta Makes Catch.

As the car driven by Martin and Elliott came through Antioch at a 45-mile clip, Valenta gave them chase, feeling sure that this was the car of the gunmen as he had just received the description he had just received. He took them in custody and in their car found two recently discharged revolvers of .38 caliber. The bullets found in the body of Lynch were of the same caliber. Valenta stated that the men appeared very nervous while the search was going on. Martin and Elliott, giving their ages as 26 and 23, were lodged in the Antioch jail until the arrival of officers from Burlington when they were taken to Waukegan and held in the county jail. The prisoners refused to waive extradition. Every effort has been made to get them back into Wisconsin where officials of that district wish to prosecute them.

Attorney Field Retained.

Attorney George W. Field has been retained to defend them, and the two men are now out on bond. Mr. Lynch has been connected with labor and union affairs in Chicago for twenty years. No reason for the shooting has yet been revealed. The latest bulletin from the Burlington hospital said Lynch would recover. One finger was shot off and he has a bullet wound in one knee.

Extradition Fight On.

Wisconsin state officers are in Waukegan seeking the honor of requisition papers to return Martin and Elliott to Wisconsin from Waukegan. The office of Governor Len Small has wired that the officers are anxious to get their men back into Racine county. The decision as to the date of the hearing will be made by the governor upon the Chicago attorney's reply. The men were scheduled to have a hearing Wednesday afternoon, but this was put over until Monday, May 7, at 2 o'clock.

It is charged by friends of Lynch that an attempt was made to assassinate him because he refused to support the Small-Thompson ticket in the primary. He has been lined up with the Deneen forces for a number of years.

L. E. MYERS CO. LAYING PIPE IN PISTAKEE BAY

The L. E. Myers Company was awarded the contract last week to lay the one and one-half miles of pipe at Pistakee Bay. This line is tapped from the main to a number of homes in that locality.

After this work is completed the company will go to Orland Park, a suburb of Chicago and near Blue Island. The contract there is for work similar to that done between here and Fox Lake.

PADDOCK SECURES T. B. INDEMNITY FOR FARMERS

Lake county farmers who have failed to receive indemnity money due them for cattle killed by the state tuberculosis tests are now assured that they will be reimbursed without further delay.

Recognition of the claim was secured by State Senator-elect Ray Paddock of Wauconda who attended the Republican state convention in Springfield last week. When Paddock explained the situation to S. J. Stannard, director of the state department of agriculture, and pointed out the injustice being done dairymen of Lake county, Mr. Stannard issued orders that the Lake county owners of cattle slaughtered by the state be indemnified immediately.

GRADE SCHOOL BIDS ARE REJECTED; REVISE PLANS AND FIGURES

All Bids Above Amount On
The Proposed New
Building.

Failure of the bidders on the proposed \$45,000 grade school in Antioch, to bid below that amount resulted in the board of education rejecting all bids when they were opened Tuesday afternoon when a score or more of bids were opened. According to reports the bids ranged between \$54,000 and \$71,000.

Mr. John A. Scribner, of Glencoe, the architect, will revise all plans and bids for the school will be advertised again, to be opened May 14th.

The old plans call for a one-story school with five class rooms 24x30 feet, and a large auditorium. It will house the first, second, seventh and eighth grades at first and as it is enlarged the other classes will move into it.

Fire Boys Answer Four Calls This Week; Three In One Day

The Fire Department was called out Saturday afternoon to Silver Lake to extinguish a small grass fire. Troop No. 2 of the Boy Scouts had hiked to the woods near there and in preparing their meal accidentally set fire to the grass. The fire was allowed to burn out because no water was nearby with which to put it out. Small damage was done.

Wednesday morning the boys were called to the garage back of the Antioch Hotel to extinguish a small blaze, presumably caused from a bonfire near by. A few boards of the back of the building were burned. The damage was negligible.

Blaze at Cleaners

The pressing room of the Antioch Cleaners and Tailors was considerably damaged by fire yesterday afternoon when the kerosene tank, supplying fuel for the presser, in some way leaked and caused the ignition of the oil within. The room was in a blaze in a short time but the prompt action on the part of the fire department prevented the spread of the flames. Several suits were burned and the tank was damaged.

Another call was sent in last night about 9 o'clock from the Elmer Brook farm near Millburn. A slough fire was the cause of the alarm.

Auto Crash at Rollins May Prove Fatal to Boy

The five-year-old son of Mr. and Mrs. N. Errara, 1015 Almond St., Chicago, is near death in a Chicago hospital as a result of an auto accident occurring near Rollins last Sunday at 12 o'clock. Cut, bruised and unconscious and with one eye put out, the lad and others injured in the crash were brought to Dr. Warriner's office in Antioch by Constable Tom Burnett. After first aid treatment here they were removed to the Waukegan hospital and later to Chicago.

Traveling north in a Dodge sedan on Route 21, Mr. and Mrs. Errara and three children were enroute to Castlewood to visit friends, when a blow out of a rear tire caused Mrs. Errara to lose control of the car. Rolling over several times the car landed in a ditch at the side of the road a complete wreck. A three-year-old son was also badly injured, and the driver was severely cut and bruised.

Wreck at Lake Villa

A lucky escape from injury was reported from Lake Villa Sunday morning when the Lincoln sedan driven by A. J. Law, 763 Monadack Bldg., Chicago, rolled over. The driver and other passengers, a man and two wo-

CHILD CRUSHED TO DEATH BY WHEELS OF CAR

Three-Year-Old Fox Lake
Boy Instantly Killed By
Automobile.

The curiosity of a tiny tot, in the person of little three year old Donald McDonald, son of Mr. and Mrs. James McDonald of Fox Lake ended tragically Saturday afternoon about three o'clock when he ignored his mother's warning to stay in his yard, and stepped into the alley back of their home to see what a crowd of men were doing there. As he stepped out of his yard in the alley he was crushed to death beneath the rear wheels of a car being backed out, driven by Leslie Riggs, part owner of a garage and son of Marshall Joe Riggs of Fox Lake.

Mr. Riggs had been called to the location by his brother to right a car that had been overturned in the alley a short time before and had driven there to determine what equipment would be necessary to take care of the wreck. Finding that tow equipment would be needed he started to back out of the alley and was unaware of the child's presence until he heard the scream of the child and the persons who witnessed the tragedy. It is believed that he had just stepped into the alley.

Mother Prostrated

The crushed form was taken into the home which he had left so recently after having his hands and face washed, his hair brushed and with words of warning from his mother to stay in the yard.

The mother was overcome with grief and is very ill from the shock of the tragedy. The father became greatly excited and denounced the jury when it exonerated Riggs of all blame. Riggs was completely unharmed according to Coroner John L. Taylor. Those who saw the accident agreed in their opinion that Riggs was not to blame as he had taken all precautions before backing and had no inkling of the child's presence.

WILMOT MAN FOUND DEAD UNDER TRUCK

John Hartman, 21, Killed
When Truck Overturns
In Ditch.

The body of John Hartman, age 21, of Wilmot, was found beneath the wreck of the truck he had been driving, Tuesday morning at 11 o'clock. The nature of the accident is a mystery as no one witnessed what occurred, but it is presumed that in some manner Hartman lost control of the truck, which was empty, resulting in it going in the ditch, up a high bank and through a fence. Hartman's neck was broken and the body badly bruised and mutilated. He had been driving the truck for Frank Schramm of that vicinity and was returning to Wilmot.

Mr. Hartman had been a resident of Wilmot for two years coming there from St. Louis. However, his residence had not been continuous, he having spent some time in the west. When he returned he was accompanied by his mother, Mrs. Johanna Hartman, four brothers and two sisters who survive him.

Funeral services will be held from the home Friday afternoon at two o'clock. Burial will be in the Wilmot cemetery.

CARS COLLIDE IN FRONT OF MAIN GARAGE; SMALL DAMAGE TO FORD CAR

The Ford car driven by Harry Sheer of Grass Lake collided with the sedan car of Joe Ladervick Tuesday afternoon when Ladervick slowed up to turn into the Main Garage. Sheer, who was coasting down the slight grade in front of the News office and garage was unable to stop, and crashed into the rear of the other car, damaging the radiator to some extent. The Ladervick car was not damaged.

ANTIOCH HOTEL IS FIRST TO CONNECT WITH GAS

The Antioch Hotel has the distinction of being the first place in Antioch to connect with the gas line that has just come into this city. Work is still going on in different sections of the town and many residences are being connected with the six inch main brought in from Fox Lake. The gas that supplied the Hotel was turned into the pipes Friday afternoon.

Popular School Man Is A. B. C. President

Business, farming and development interests unite in acclaiming C. L. Kutil a popular choice for president of the Antioch Business Club.

Mr. Kutil was elected to the chief executive post on Monday night at the annual meeting of the Club held at the Antioch Hotel.

C. L. KUTIL

C. L. KUTIL IS CHOSEN TO HEAD BUSINESS CLUB

Business Men Approve The
Choice of Aggressive
High School Man.

A. M. KRAHL IS SECRETARY

Prof. C. L. Kutil, five years director of vocational agriculture and aggressive community worker, was chosen Monday night as president of the Antioch Business Club. The selection of Mr. Kutil as chief executive of the club was made when Mr. Robt. C. Abt, four years president of the body, announced that he would not accept a fifth term. Under Mr. Abt's able leadership the Antioch Business Club has grown to be an organization of influence and usefulness to the town as well as to the entire lake region.

The choice of Mr. Kutil as president meets with favor among all the varied interests of the entire community, for he is especially qualified to discharge the duties that will devolve upon him as president. Trained in community work and organization projects, his knowledge will prove a valuable asset in the work before him.

It was Mr. Kutil who was instrumental in organizing the Antioch-Lake Villa Poultry association, and staging the poultry exhibitions that have been so popular here for the past four years. Mr. Kutil has also been active in other community work including the 4-Y club activities and farm bureau work in Lake county. Having no personal interest in any mercantile business, his opinions regarding community development must of necessity be regarded as unbiased.

Vos Named Vice President

H. J. Vos, Antioch lumberman and village board member, was elected vice president, and Rev. A. M. Krahl, secretary of the club. Mr. S. Boyer Nelson, who served in the dual capacity of secretary-treasurer last year, was named treasurer. The trio will be valuable assistants to Mr. Kutil in the work of the club.

The following were named as directors on the executive committee: W. R. Williams, R. C. Abt, H. R. Adams, W. I. Scott, L. M. Wetzel, W. A. Rosling and H. J. Vos.

Pledge Co-operation

The Club announced its intention to co-operate with the village board in development projects and will assist in every way possible to provide an adequate water supply for the town. It was learned when C. K. Anderson stated that insurance companies were rejecting otherwise good risks here on account of insufficient reservoirs.

Chicken Dinner Is Enjoyed

Those present had the pleasure of dining for the first time at S. C. Brain's new Antioch Hotel where an elaborate chicken dinner was served. The meeting was one of harmony and great enjoyment for the Club members.

Forty In Cast of "Sailor Maids" By Glee Clubs of H. S.

"Sailor Maids," the Musical Comedy to be presented by the boys' and girls' glee clubs of the Antioch High School on May 11, is rapidly rounding into form under the direction of Miss Alice. The special scenery will soon be completed.

Cast of Characters:

Cyrus Templeton Herbert Ghan
Frances Marie Louise Ghan
Joanette Spencer Amelia Bernolfs
Oiga Esther Stearns
Captain Dover Edwin Kapple
Edward Delmar Beman
Gerald Kennedy Homer Tiffany
David Kern Lewis Beman
Messenger John Dupre
Chorus of Sailor Maids and Life Guards:

Sailor Maids: Mattie Risch, Mildred Robinson, Vera Bown, Esther Barthel, Ruth McCorkle, Marguerite Manzer, Dorothy Hughes, Bertha Sobora, Doris Brumfield, Leona Hennings, Frances Daugwell, Bernice Daugwell, Ethel McGuire, Helen Simonsen, Fannie Westlake, Louise Sorenson, Olive Hansen, Grace Nelson, Esther Grulich, Alyce Hahn, Elizabeth Barthel, Ramona Winship.

Life Guards: Lloyd Murrie, Howard Gaston, Arthur Hunter, Arthur Datzel, Ralph McGuire, Russel Spicer, George Wagner, Ray Van Patten, Lloyd Wetzel, Charlie Michell.
Six Chorus Dancers: Ramona Winship, Louise Simons, Amelia Bernolfs, Frances Daugwell, Bernice Daugwell, Ruth McCorkle.

COUNCIL CONSIDERS NUMBERING HOUSES; APPOINT COMMITTEES

Water, Street, Sewer Projects Before Board in
Busy Session.

Appointment of committees for the year, the numbering of streets and the improvement of the water works system were among the many important matters that occupied the attention of the village board members Tuesday night in one of the busiest sessions ever held by the Village council.

Many Improvements Planned

Engineers J. A. Todson of the Central Engineering Co. of Elgin, who was re-employed as consulting engineer for the village, was instructed to prepare an estimate of the cost of extending sewer for Stafford street, and also to make recommendation regarding the water supply which is said to be inadequate for the needs of the village. Years ago when the system was installed here it was quite the thing, but the growth of the town and the extension of mains has made to supply of water inadequate. Two pumps fail to keep the tank full. The newest one, installed seven years ago, is run night and day. The present tower holds enough water for household uses, but it has been pointed out that in case of a fire the supply would be exhausted in less than thirty minutes, so the water problem has become a matter of grave concern to property owners, insurance companies and the local fire department who understands just what would happen in case of a bad conflagration. To remedy this condition, the village board seeks the advice of Engineer Todson, who will undoubtedly recommend the building of an auxiliary reservoir.

Consider Street Numbering

The numbering of east and west streets and the numbering of houses, which Mayor S. E. Pollock and board members advocate very strongly, was also discussed Tuesday evening. In numbering streets the plan of other cities will no doubt be followed, probably beginning at the state line with first street and numbering south, which would bring Depot street about fourteenth and Zion road twenty-first street. Under the plan the north and south streets would retain their present names. Engineer Todson has been instructed to make a plat of the village so that the work of numbering may proceed.

Meeting to Consider Street

A meeting of property owners to consider the extension of Victoria street north to Orchard and beyond has been called for Friday night at eight o'clock at the village hall.

A vote of thanks was extended to Sam Tarbell for caring for the night-watchman's clock during the year.

Mayor Appoints Committees

Following are President S. E. Pollock's office and committee appointees for the year, the appointments being approved by the trustees:

Village attorney—E. M. Runyard.
Village Marshal—Simon Simonsen.
Fire Chief—James Stearns.
Health Officers—Dr. Beebe and S. E. Pollock.
Tapper—Simon Simonsen.
Lights and Lighting—G. W. Jensen, R. L. Murrie, H. J. Vos.
Finance—Vos, Dunn, Hawkins.
Sewer and Water—Murrie, Shultz, Street and Alley—Dunn, Jensen, Auditing—Hawkins, Dunn, Vos.
Engineer—J. A. Todson.

och to connect with the gas line that has just come into this city. Work is still going on in different sections of the town and many residences are being connected with the six inch main brought in from Fox Lake. The gas that supplied the Hotel was turned into the pipes Friday afternoon.

Butterscotch Apples

Five apples, two-thirds cup brown sugar, one-half cup of water, three-fourths cup of milk, one-eighth teaspoon salt, one-half teaspoon cornstarch, one tablespoon butter and one half teaspoon vanilla.

Wash apples and cut into quarters, pare and core them. Put the sugar and water into a saucepan and heat. When the syrup boils, add the apples, cover and boil gently until the apples are tender. Remove the apples with a wire spoon and place in a sherbert dish. In another pan mix the milk and cornstarch. Stir and cook until the mixture reaches the boiling point. Then add it to the syrup in which the apples were cooked. Boil for a few minutes and add salt, butter and vanilla. Stir well and pour the sauce over the apples. Serve hot or cold.—Mrs. Sam Painter, Carbondale.

A Luncheon Dish

MONKEY

1 cup cheese
1 teaspoon butter
1 cup bread crumbs
1-8 teaspoon pepper
1/2 teaspoon salt
1 1/2 cup milk
1 teaspoon mustard
1 egg

Soak bread in milk 10 minutes, add all other ingredients with the exception of the egg and cook until the cheese is melted, stir constantly. Then add egg slightly beaten and cook one minute, stirring. Pour over toast arranged on hot platter. Will serve five people.—Catherine Krahl.

Beef Steak and Onions

Select a nice juicy cut of beef steak, wash it and pound, well, salt, pepper and flour on both sides. Have ready two tablespoons of lard moderately hot in an iron skillet, place the steak in grease and fry slowly until cooked brown. Turn and cover with sliced onions. Cook until onions are well fried and tender. Remove from skillet and serve with gravy made by browning two tablespoons flour in lard left in pan after frying steak and one and one-half cups boiling water, cooking until gravy is thick.—Mrs. Amelia Rolsacher, Nokomis.

Old Virginia Baked Ham

Scrub a small ham and place in a baking pan. Place in oven hot enough to begin cooking at once. Allow 30 minutes to each pound of ham. When tender, lift and remove the skin and rub the following mixture into it:

Three-fourths cup brown sugar, one teaspoon nutmeg, one teaspoon cinnamon, one teaspoon cloves, one teaspoon allspice. Mix thoroughly before rubbing into ham. Place in hot oven and bake 45 minutes, basting frequently with one-half cup vinegar and one-half cup water mixed together.—Mrs. Nellie Ridings, Carterville.

Fruit Dumplings

Take one pint of small fruit, add two cups water and sweeten. Bring to a boil. Beat one egg (if light, add one-half cup water and one rounded teaspoon baking powder and cup of flour or flour enough to make a drop batter. Drop big spoonfuls of dough into the boiling fruit and boil until done. Take up and serve with the fruit they were boiled in.—Mrs. Tena McCausland, Matherville.

Backward Cookies

Into a large mixing bowl put four cups flour. Rub into the flour one large cup shortening. Beat three eggs, add to them one cup brown sugar and a pinch of nutmeg. Add this to the flour and shortening and moisten with one scant teaspoonful soda dissolved in three tablespoons hot water. This mixture will seem very dry but after it is mixed a few minutes will roll out nicely. Roll thin and cut into cookies. Bake in a hot oven until light brown. They are very good and will keep fresh for several days.—Mrs. George Fisher, La Salle.

Italian Spaghetti

One medium sized onion, chopped, two tablespoons butter, three-fourths pound calf liver, one tablespoon chopped parsley, two teaspoons salt, one-eighth teaspoon pepper, two cups tomatoes, put through sieve, three-fourths pound uncooked spaghetti and one-half cup grated American cheese.

Brown the chopped onions in the butter, add the chopped liver, parsley, salt and pepper and cook slowly for 10 minutes. Add the tomatoes and let simmer for about 20 minutes.

In the meantime cook the spaghetti in four quarts boiling water to which four teaspoons of salt have been added. When tender, drain. Have a platter buttered and hot and sprinkle with grated cheese. Pile the spaghetti on the platter and pour the sauce over it. Sprinkle with more cheese and serve hot.—Mrs. Theodore Lauer, Gillespie.

FASHION MATCHES A SCARF AT
NECKLINE WITH ONE AT HIPLINE

AN ERA of color this! Color dominates the field not only of clothes, but everything from automobiles to bathtubs and kitchens proclaims an unrestricted reign of color.

Too much color? There is no such possibility at the present moment, especially when it comes to sports clothes and daytime modes. It is color, everywhere color, which is giving individuality and novelty to present fashions, rather than weave or patterning, though it cannot be denied that all styledom is also staging a program of refreshing ideas in silhouette, in fabric, in design, as well as in color expression. Even so, do not forget that without a doubt the stylist places color first in importance this season.

Perhaps no item of dress is playing a more hectic role than the scarf, especially the square and the triangle. Not only does color cast its glamour over the scarf horizon but the method of wearing the scarf or scarfs, if you please, almost outclasses color itself in its very daring.

Scarf sets are the latest theme in fashiondom. They come two and three of a kind. The picture shows the newest scarf arrangement. The point of the silk triangle about the neck which falls over one shoulder is so positioned that it is balanced by the point of the scarf at the opposite hip, thus preserving a pretty relativity of lines.

Sometimes two smaller silk squares are skillfully placed, one following the neckline, the other caught by one point so that it falls down the side of the blouse like a jabot.

Dressmakers are finding in the newly colored scarf inspiration for a new line of thought in the way of designing. They incorporate the scarf into the very construction of the dress or blouse, perhaps by stitching it in as a yoke or cutting portions of it to serve as insets. Thus exclusive color and design are attained, for the scarfs used are hand-blocked in patterns not available in yardage silks.

WILMOT BALL CLUB
DEFEATS RINGWOOD
AT INITIAL GAMEHoltorf's Entertain Large
Number of Guests for
Visitors.

The Wilmot Baseball club defeated Ringwood at the initial game of the season held at the Wilmot Baseball park Sunday afternoon with a score of seven to six, after an eleven inning game. Pitching honors were divided between Shubert Frank and Hartman. Marty Schnurr displayed rare form as catcher, and hitting honors for the day went to Toots Elbert, Swede Frank and Art Gegan. Andy Hawley, visiting pitcher struck out several of the local players but wildness of pitching caused him trouble several times during the game. With milder weather and more opportunities for the local boys to practice at the park during the week an excellent local team will soon be developed. The summer schedule is rapidly being filled two games have been lined up with McHenry and two with Union Grove. Teams in the neighboring towns wishing to schedule games with Wilmot can call the booking agent, Don Herrick at the Wilmot Drug Store.

Mr. and Mrs. August Holtorf entertained at a family gathering in honor of the latter's sister and husband, Mr. and Mrs. Lerwenz of Algona, Wis., last Tuesday. The guests included Mr. and Mrs. Charles Kanis and family, Grandma Kanis, Mr. and Mrs. Alvin Holtorf and children, Mr. and Mrs. Arthur Holtorf, Mr. and Mrs. Fred Frank and family, Mr. and Mrs. Ben Kanis and daughter, Wilmot; Mr. and Mrs. Harry Holtorf and children, Bristol; Mr. and Mrs. Clarence Holtorf from Milwaukee. It was the first visit Mr. and Mrs. Lerwenz had made to Wilmot in fourteen years.

Mr. and Mrs. W. Cole arrived from Lake Arthur, Louisiana, Sunday and will spend the summer at the T. C. Loftus home. Mr. and Mrs. Cole motored north.

Mr. and Mrs. Alfred Reynolds entertained at a family party Sunday; Mr. and Mrs. Clyde Klureed and children of Marengo; Mr. and Mrs. Ray Klureed and daughter, of Belvidere; Mr. and Mrs. Winn Peterson and children of Kenosha.

Mr. and Mrs. R. Progenzer and family of Grass Lake spent Sunday with Mr. and Mrs. Jas. Buckley.

Mrs. H. C. Darby has been very ill the past week with the flu and neuritis and has been under the care of Dr. Prouty of Burlington.

Mr. and Mrs. Arthur Holtorf spent Sunday with Mr. and Mrs. Frank Mecklenburg at Richmond.

Mr. and Mrs. J. Kroncke of Milwaukee were at the Wilmot cottage Sunday.

Mr. and Mrs. W. Kruckman and children of Burlington called at the Hiram Patrick home Sunday.

Ruth and Harley Shottliff have recovered from attacks of the flu. Rev. and Mrs. Jedelo accompanied by Rev. and Mrs. Slicker of Burlington motored to Pond du Lac Tuesday to attend the funeral services for Rev. Moussa. Burial was in Burlington cemetery.

Doris Ganslin and Ruth Pacey were in Milwaukee for the day Saturday.

Mr. and Mrs. George Dean accompanied Mr. and Mrs. Bert Dean and children of Silverlake to Kenosha on Sunday for a visit with Mr. and Mrs. Charles Dean.

Mr. and Mrs. Anderson of Genoa City, accompanied Mr. and Mrs. R. Rudolph to Kenosha Sunday.

Edna Brinkman, Margaret Stoxen,

Lloyd Stoxen and Betty and Buddy Stoxen motored to Sharon Sunday.

Mr. and Mrs. T. Bogda, Jr., and family from Edison Park were out on Sunday for the day with Mr. and Mrs. J. Stuelliffe.

Mrs. Wm. Rush of Hassetts spent Saturday in the village calling on friends and relatives including, Mrs. Geo. Dean and Mrs. Johnston.

Union Free High School

Five students succeeded in maintaining grades above ninety in four subjects during the second period of the present semester. They are: Mary Daly, Dorothea Kaphengst, Iola Harm, Hazel Schold and Ruth Pepper. The last two named are Freshman. The Freshman class also leads in the number of students on the honor roll, with grades of 85 or above. Honor roll students include: Bernice Harm, Wylanta Haggerty, Gladys Miller, Dean Loftus, Gordon Dix, Irene Haase, Adolph Flegel, Claudia Vincent, Marjorie Van Lere, Myrtle Mickle and Winifred Debell.

For consistently good work during four years of high school, Bernice Harm leads the senior class in grades and will be valedictorian at the Commencement exercises on June 7. Second honors were won by Wylanta Haggerty.

Work on the Class Play "What Happened to Jones" is progressing rapidly. The play will be given on May 18 but the reserved seat sale will begin at the high school office on May 14.

Sixty members of the 4-H club held

an enthusiastic meeting at the High School gym last Tuesday evening when the club formally organized under the leadership of Martin Schnurr, Agricultural teacher at the Union Free High School, and the assistant leader, John Memler. Officers for the year were elected: President, Hazel Schold; vice president, Claudia Vincent; secretary and treasurer, Olive Grinder.

The members will have individual projects that they will care for during the summer months and the results of their labor will be exhibited at the Kenosha County Fair and the Wisconsin State fair.

The local organization takes in children from the towns of Wilmot, Hassetts, Twin Lakes and Silverlake. Many new members are expected in the next few weeks.

Mr. Schnurr will organize two more clubs this week, one at Salem and the other at Trevor.

TREVOR ECONOMICS HOLD DEMONSTRATION AT SOCIAL CENTER

Many Attend Card Party
Sponsored By P. T. A.
Saturday.

The Home Economics group met at Social Center hall Tuesday. Miss Edna Hoffman, Madison, demonstrated the making of seven kinds of salads from cabbage and other ingredients. These salads formed part of the dinner and were delicious. In the afternoon she talked on health habits.

The Card and Bunco party sponsored by the Trevor Parent-Teachers' association was well attended Saturday evening. The prize in "500" went to Mrs. Henry Lubeno, Mrs. Clyde Kiorade, Jack Hanson and Arthur Bushing. Bunco—Mrs. Hesselgrave, Helen Peterson, Floyd Lubeno and Kenneth Brown.

Trevor guests at the home of Mrs. Maggie Parks were: Mr. and Mrs. Charles Bahles, Mrs. E. Cassidy, Mr. and Mrs. Charles Sweet, Mrs. George Larp, Milwaukee; Mrs. Henry Parks and Mrs. A. Reil, Kenosha.

Mrs. Henry Lubeno, Mrs. Geo. Patrick and Miss Sarah Patrick called on Mrs. George Faulkner at Wilmet Monday.

Hiram Patrick of Wilmet called on his sisters and brother Wednesday.

A sister of Mrs. Maggie Parks from Oshkosh is caring for her during Mrs. Del Harrison's stay at her home in Milwaukee.

George Higgins of Wilmet was in town with his spraying outfit Wednesday.

Seventeen ladies from Trevor and vicinity gave their friend, Mrs. Geo. Rohnow of Kenosha a surprise on Thursday afternoon.

Miss Daisy Mickle gave her father a party on Monday evening in honor of his birthday anniversary. Cards were enjoyed after which a nice lunch was served.

Mr. and Mrs. Wm. Achtenberg went to Burlington Tuesday where they expect to make their future home.

Harry Bahrstow has sold the Holscher place to a Chicago party. A soft drink house is in course of erection at the intersection of the Salem and Camp Lake road.

Mrs. George Patrick and Miss Sarah Patrick attended the play at Salem Opera house on Friday evening given by the Salem Center School children.

Mrs. Aultman and son of Chicago are spending some time at the Wm. Evans home.

Mr. L. H. Mickle and daughters motored to Chicago Saturday, where Mr. Mickle will remain for a few days visiting a sister and family.

Mrs. Arthur Runyard entertained the Trevor Five Hundred club on Wednesday afternoon. The honors went to Mrs. Jack Hanson, Mrs. Lucy Hollister and Mrs. Klaus Marks.

A number of friends of Mrs. Chas. Barhyte gave her a very pleasant surprise on Tuesday evening. The occasion being her birthday anniversary.

A number from here attended the card and bunco party at Dalton's hall at Silverlake Thursday evening.

Mrs. Cooley and daughter, Ruth, of Chicago called on Mrs. Hazelman on Sunday.

Rev. and Mrs. Jedele of Wilmet were Sunday evening callers at the Fred Forster home.

The Misses Grace and Pauline Copper and friends of Chicago spent Sunday with their parents, Mr. and Mrs. C. A. Copper.

Mr. and Mrs. Seidel and daughter of Bensenville, Ill., spent Sunday day with Mr. and Mrs. Fred Forster.

Messrs. Dick Moran, Frank Larwin, Henry Lubeno and Harry Lubeno attended a Masonic meeting in Kenosha Saturday evening.

Mrs. Charles Oetting, daughter, Adeline, and son, Alfred, were in Kenosha Tuesday when Alfred had treatment for ear trouble.

The Liberty Cemetery association held its annual business meeting at the Social Center hall Saturday afternoon.

Miss Florence Ridge spent the week end with home folks at White-water.

The Myrtle Workers of Trevor will give a card and bunco party at the Social Center hall Saturday evening, May 5.

Miss Sarah Patrick was a Kenosha shopper Monday.

The Ruben Turnock family and Miss Myrtle Nickle are on the sick list.

The Morans, Frank Moran and Ira Moran are at Mexico City, Mo., shearing sheep. They made the trip by auto.

A number of Mr. and Mrs. Jack Hanson's friends gave them a farewell surprise on Sunday evening. The Hansons expect to leave this week for Nebraska to spend a few months with relatives.

Dr. Becker of Silverlake made a professional call in town Monday.

Churches

St. Ignatius' Church Notes
Calendar—4th Sunday after Easter.
Topic for week: "The Essence of Religion."

7:30 a. m.—Holy Communion.
9:30 a. m.—Classes for all.
10:30 a. m.—Morning Prayer and sermon.

Those who were unable to make their Easter communion to date may do so next Sunday at 7:30.

The Church School will begin at 9:30 a. m. instead of 10 a. m. as heretofore. Morning Prayer at 10:30 a. m. The time is standard time and the change is a compromise in favor of the standard and fast time people. How strange it is that history is made by cooperation and compromise on non-essential issues. There is a wide range for pious opinion in the church and it should and ought to differ in different places and under different conditions, but the church refuses to compromise one iota of what she considers an essential. Do you know the difference? If you don't, it's about time you found out if you are a Christian.

Don't forget the choir on Wednesday nights from 7:30 to 8:30. Mr. George Shirley is choirmaster.

Sunday, May 13, is Mother's Day. Plan to honor mother by attending church whether she be living or absent. The date of the banquet has been changed to Friday, May 18, at 6:30 p. m. Sons and daughters bring mother. The boys will serve and the girls will cook. If you seek a new experience come to church in your community for a change. There is a place and life will hold much more "ye shall know the truth and the truth shall make you free." Free yourself, physical torment, mental doubt and worry, and spiritual doldrums. "Could ye not spend one hour with me." Our Lord invites you. He who profits most serves his God best indeed.

Discourages Burglars

Tests with an oxyacetylene torch showed recently that two hours were required to penetrate a plate of pure copper, seven inches thick, intended for a bank vault, says Popular Mechanics Magazine. Engineers estimated that it would take a burglar about six hours to burn through one of twelve-inch thickness.

Ground Always Frozen

Ice to the depth of more than 100 yards binds the soil of northern Siberia even in summer. The frozen ground covers an area of 5,000,000 square kilometers, a territory half as large as Europe, according to a report made to the Berlin Geographical society.

Climbing Kangaroo

There is only one species of kangaroo that climbs. It is very small and is seldom seen in Australia. In fact, the existence of the animal was not known to naturalists until a few years ago. Although it runs about on the ground, it is more at home in the trees.

Active Volcanoes

With the exception of Orizaba, Popocatepetl, Sabana, Ixtaccihuatl, Sorata, Pomarajo and Tenerife, practically all the commonly known volcanoes have been active within 100 years. There are at least 60 of sufficient size and activity to be listed.

Colonial Patriot

Robert Morris, the first great American financier, was born on January 29, 1734, in England. He devoted all his talents to the cause of the colonists during the American Revolution and was one of the important factors in their success.

NEWS FROM NEARBY EXCHANGES

WATERFORD—The village board of Waterford has granted a franchise to the Wisconsin Southern Gas Co. and it is stated that if 100 signers can be secured to have the gas, then Waterford will have the convenience in a short time.

BURLINGTON—Frank Schneller, state commander of the American Legion will be given a reception when he visits Burlington this week to address a mass meeting of Legionnaires from several counties. A program has been arranged that will be very interesting.

WAUCONDA—Business men of this city set their clocks one hour ahead Sunday morning to conform with Chicago daylight saving time.

WOODSTOCK—A new garage building, 62x120 feet will be erected on the property east of the postoffice in Woodstock by D. R. Joslyn, Jr., and F. M. Gaulke. Above the front part or the show room will be two four-room flats, modern in every degree.

ARLINGTON HEIGHTS—The citizens of Arlington Heights voted two to one to issue \$75,000 in bonds for the erection of an addition to the township high school Saturday.

LAKE VILLA—Residents of Lake will vote on May 3 on a \$12,000 bond issue for the purpose of completing a water supply system for the village.

CHETEK—The Rebekah Convention for District No. 9 will be held in Chetek next year. The recent convention held in Barron was very successful and beneficial.

BURLINGTON—The charred remains of a new born infant was found in the pasture of a Hanover township farm, not so many miles from the scene of Barrington township's poisoned-baby tragedy of last summer. The body of the baby was so badly burned that its sex could not be determined. An investigation is underway by Cook county authorities.

RICHMOND—A. R. Anderson, candy manufacturer, is building a brick addition to his property on Main street. One portion of the building will be used as a candy kitchen and salesroom and fronts on Main street, while the other portion, fronting George street, will be used as a garage.

GRAYSLAKE—All the teachers of the Grayslake school have been re-engaged to teach the ensuing year. Marshall Batho is principal.

WOODSTOCK—Mr. and Mrs. Fred Lipka, Sr., of Terra Cotta, whose son, Fred Lipka, was fined \$1200 and given a six month's term in jail were in court last week and pleaded guilty. Both are quite old people, and the State's Attorney, Lumley, recommended that sentence be deferred until June 1, to give them an opportunity to sell out and leave the county. This they agreed to do, as well as pay young Lipka's fine of \$1200.

LAKE FOREST—William Baker and Joseph Launers were severely cut and bruised last week when the car in which they were riding swerved from the highway and crashed into a tree. Both were taken to the Alice Home hospital and Launers is able to be out but Baker is still confined to the hospital. The car was badly damaged.

Lots of times a man flatters himself that he's give up a vice when it's really vice that's give him up.

MILLBURN MUSINGS

Mr. and Mrs. E. A. Martin and Richard spent Sunday with relatives in Chicago.

Earl Slocum of Marango spent last Sunday with his parents, Mr. and Mrs. L. J. Slocum.

Mr. and Mrs. R. D. Rowling and children of Grayslake and Mr. and Mrs. Ray Harmer and children of Waukegan were Sunday at the W. M. Bonner home.

Mr. and Mrs. W. S. Denman and Elvin of Waukegan visited at C. E. Denman's Sunday.

Mrs. Gladys Ames of Gurnee spent Friday with her aunt, Mrs. Bonner.

Clarence Mayer of Chicago is visiting a few days with his cousin, Mrs.

Carl Anderson.

Mr. and Mrs. A. G. Torfin motored to Chicago Sunday.

Miss Grace Holdridge of Waukegan spent the week end at Lewis Hamman's.

Mr. and Mrs. Howard Garby and daughter of Chicago spent the week end at Robert Bonner's and motored to Kankakee with the Bonner family Sunday.

The Christian Endeavor business meeting will be held in the church parlor Friday evening, May 4.

LAKE COUNTY WILL VOTE ON BOND ISSUE

**Asks \$250,000 for County
Home Buildings Election
Tuesday, May 15.**

The Lake County Board of Supervisors, recognizing the great need of better facilities for the care and safety of the poor at the county farm, located at Libertyville, voted unanimously on a resolution at the December session of the board to submit to the legal voters the proposition of issuing bonds in the amount of two hundred and fifty thousand dollars, levying a tax of three cents on each one hundred dollars valuation of the taxable property in the county, to be used in rebuilding the county home on practically the present location.

The county owns at the present time one hundred and thirty-five acres of land adjacent to Libertyville. It would be difficult to select a more suitable location to meet the requirements of the institution, the present improvements, such as water system, barns and all other outbuildings are in good condition and adequately meet the needs of the institution, but the home buildings are totally inadequate for the comfort and safety of the unfortunate people who are dependent on the county for their support.

The present capacity of the home is about fifty to fifty-five people, but during the past winter they have had to care for as high as seventy-one, about fifteen of whom are incapable of going to the dining room for meals and it has been necessary to carry their food to their rooms. The women's ward is located in a detached building on the second floor and is reached by a runway of wooden construction connecting with the main buildings. Should a fire break out, especially in the night time, there no doubt would be many lives lost.

In 1926 the institution was inspected by State Fire Marshal and condemned by him as being unsafe and he pronounced it a fire trap. He at that time ordered the farm committee to construct additional means of safety by erecting an outside stairway and cutting in additional exits to reduce the hazard. This, however, was permitted only as a temporary additional safety until such time as new buildings could be erected.

**Original Buildings Are About 75
Years Old**

The original home buildings were erected about seventy-five years ago with additions having been made at various times since. They are only a makeshift and totally inadequate to meet the requirements of the county at the present time.

Project Under Discussion Five Years

For five years the Farm Committee has been working on the proposition of erecting new home buildings. The committee first made a report to the Board of Supervisors calling to their attention the unsafe conditions of the buildings with the recommendation that the Board take some action in the matter to safeguard the lives of those who were dependent on the county for their support and protection.

At the September (1925) session of the County Board of Supervisors a resolution was presented to submit the proposition to the voters of the county for a bond issue to raise money to erect new buildings. It being necessary to have a two-thirds vote in the affirmative in order to bring the matter before the voters. At this time the real estate boom was on and there were some members of the Board who thought that it might be advisable to offer the farm for sale and purchase a new location. This, no doubt, influenced some of the members to vote against the proposition and the resolution was lost by a small majority.

In 1926 the State Fire Marshal on his annual inspection of public buildings, made an inspection of the county home buildings with the result that the buildings were condemned and temporary measures of safety ordered. In the meantime the bottom had dropped out of the real estate boom and the prospect of the sale of the county farm had vanished. The matter of new county home buildings had, however, been kept alive by the committee and at the December (1927) session of the County Board the same resolution was again presented and carried unanimously, the entire thirty-three members voting in favor of it. This proposition will now come before the voters at a special election to be held May 15, and in view of the situation, the buildings already having been condemned by the State Fire Marshal, we believe that there is only one thing to do, and that is to vote for the proposition.

Principals in Gang Shooting

James Lynch, president of the Chicago Trucking and Teamsters' union, who was shot Saturday by two men believed to be Chicago gangsters, is shown in the lower right picture.

At the lower left are Frank Valenta (left) motorcycle officer of Antioch, Ill., who arrested the men, and Officer James Wilson of Burlington, who gave chase and informed towns along the road to be on the lookout.

The spot where Lynch was shot is being pointed to by Gottlieb Rosenhauer (second from the left in the upper left picture), caretaker for Lynch's property, who also was fired upon. At the left of Rosenhauer in the picture is J. Delano, and on his right, M. Ward and Dr. W. J. Newbury all of Burlington.

The children of Lynch are in the upper right picture. Ardell, 4, (left) and Julia, 2, (right) in front are the daughters who were with their father when he was shot. The other two are Marion, 7, and Regina, 6.

C. J. WEIGEL IS ELECTED PRINCIPAL OF UNION FREE H. S.

At a recent meeting of the board of education of the Wilmet Union Free High School, Mr. C. J. Weigel was elected principal to succeed Mr. J. E. Mulder, whose resignation takes effect at the close of the present semester.

Mr. Weigel came to Wilmet as a teacher of English and History in February 1928, having just received his B. A. degree from the University of Iowa. He has completed three and

one half years of teaching, most of which has been spent in administrative work. He was graduated from the LaCrosse State Teachers' College in 1924, with highest scholastic honors, and in the same year accepted a position as principal of the high school at Coon Valley, Wisconsin. During the years 1925-27 he was head of the high school and grades at Trempealeau, Wisconsin, which position he left to earn his degree at the University of Iowa.

Mr. Weigel will begin his new duties in September.

BIRTHDAY SURPRISE
FOR MRS. RENTNER

A surprise party was given at the home of Mr. and Mrs. John Rentner, Sunday, April 29, in honor of Mrs. Rentner's 35th birthday.

Those present were Mr. and Mrs. Roy McKinney and daughter, Mr. and Mrs. Frank Kastner and two children, Mr. and Mrs. Frank Shedeck and four children, Mr. and Mrs. Robert Hunsyard, Mr. and Mrs. Julius Ingerson and three children, Verle Burns, Orville Hawkins, Mr. and Mrs. Garland Ingraham and son, and Mr. and Mrs. John Rentner and four children. Refreshments were served and all present had an enjoyable time. At a late hour all departed, wishing Mrs. Rentner many happy returns of the day.

MR. AND MRS. LUX
ENTERTAIN TEACHERS

Mr. and Mrs. Charles Lux very pleasantly entertained the teachers of the Grade School at their home on Monday evening at a three course dinner. Mr. and Mrs. Robert Wilton were also guests. After dinner several tables of bridge were at play with prizes to Miss Mary Hynck, Miss Maud Pierce and Mrs. W. C. Petty.

MRS. JOHN MOORE
HOSTESS TO "500" PARTY

Mrs. John Moore entertained a group of friends at "500" Monday evening at her home on Victoria street. Coffee, salad and cake was served after play.

Grade School Boys
Make Early Trip To
Study Native Birds

At six o'clock on Wednesday morning, May 2, the seventh and eighth grade boys met with Mr. Petty at the grade school for the purpose of going on a field trip to study the birds. They followed the creek for a short distance and observed a few of the most common birds such as the robin and wren; they also saw a few oriole nests and a robin just making her nest. Cutting across the plowed ground north of the septic tank on the ground they saw a killdeer, and took notes in regard to this bird and viewed his numerous peculiarities. Back of the Stanton home they saw a blue jaw engaging in combat with a couple of robins. In the woods was noticed a downy woodpecker, his peculiar note giving him added attention that had never been noticed before. In the orchard back of the Stanton house were seen quite a number of wrens. Surprise was expressed at the odd note of the wren. It seemed out of proportion to the size of the bird.

Throughout the trip they saw about thirteen or fourteen birds. The following birds were seen and studied: Robin, Wren, Downy Woodpecker, Martin, Flicker, Killdeer, Mourning Dove, Meadow Lark, Crow, Blackbird, Purple Grackle, Starling.

Class Sees Rare Bird
The class stopped at Billy Brook's home to study the Purple Martins which are nesting in his new Martin house and was very much surprised to find nesting in the house a pair of very rare birds called the Starling. In 1890 sixty of these birds were released in New York. This English bird is seldom seen west of Ohio in United States. With the assistance of field glasses and pictures they were able to study this bird at a "close up." While looking at this bird Mr. and Mrs. Brook told them the traits and habits of this bird. It is about the size and color of our blackbird, with a yellow bill and more greenish and purplish than the blackbird, and is finely speckled with white and cream buff. It is about 8 1/2 in. long and as longer wings and shorter tail than the blackbird.

Secretarial Class
Opens Stenographer's
Bureau for Public

The Secretarial Class of the Antioch Township High School announces the opening of a Public Stenographer's Bureau for the business men of this community. Persons in this group have all had two year's experience in stenography. The funds derived from this bureau will be used for payment on an adding machine which the Commercial Club is purchasing for the school.

Letters of all kinds and of any length as well as straight copy work will be done for a nominal charge.

BUSINESS GROWING FOR
ANTIOCH DAIRY COMPANY

Business for the Antioch Dairy company is increasing each week, according to reports which have it that the local plant is one of the most modern milk plants in the state. The place has been newly painted inside and everything about the premises is spick and span. The local manager, Bert Brown, would not have things any other way, and it must be said to his credit that he is making the industry a success here. Twelve new patrons were added during the past week.

MRS. KUTIL ENTERTAINS
THIMBLE BEE

The Thimble Bee of the Methodist church was entertained at the home of Mrs. C. L. Kutil this afternoon with Mrs. Kessler assisting hostess. Next Thursday the Thimble Bee will hold an all-day meeting at the church. Pot luck dinner will be served.

MRS. EIGHT HOSTESS
TO MOTHERS' CLUB

Mrs. L. O. Bright was hostess to the Mothers' club Tuesday afternoon. This was the first meeting of the club since its organization some time ago. A general discussion of future plans and program on Child Welfare was carried on. The next meeting will be the first Tuesday in June at the home of Mrs. A. M. Krahli.

AUXILIARY MEETS
WITH MRS. MANN

The members of the Legion Auxiliary met at the home of Mrs. J. W. Mann Friday when they held their regular business meeting. A social hour was enjoyed after the business session.

PROGRAM OF MAY
FETE TO BE HELD
ON SCHOOL LAWN

The annual May Fete is to be given by the first, second, and third grades under the direction of Mrs. Lux, Miss Patterson, and Miss Tontton. The following is a brief outline of the fete:

The Town Crier will enter and make his announcement. He will come on the green and blow summons. Flower Fairies enter and give dance then form aisle for the Queen and her party which will consist of Flower girls, Crown bearer, and Master of Ceremonies. After the crowning of the Queen the children will sing "Our Queen of May." Then follows the Folk dances and May pole dance.

The upper grades will compete in the broad jump, 50 yard dash, and pole vault. At three o'clock the boys of the seventh and eighth grades will play a game of baseball with the Graylake grade team. The teams are well matched and a good game is expected. Everybody in the community is cordially invited to spend the afternoon with the children on the grade school lawn.

AUTO STATISTICS
SHOW ONLY 20 PER
CENT CARS INSURED

There is now one motor vehicle for every family in the United States, or one for every 4.9 persons, according to Mr. Oliver G. Johnson, of the Johnson Insurance Agency, who today gave out some interesting figures relating to automobiles and the part they play in our daily lives.

During 1927, there were 23,579,022 motor vehicles registered in the United States, while production for 1927 is estimated at 3,530,000, said Mr. Johnson. This figure, added to the 1926 registration, shows a total of 25,803,613. But the 1927 registration returns showed only 23,579,022 motor vehicles in use, hence the difference, or about 2,224,000, would indicate that this number of cars were scrapped or discarded during the year.

The American farmer, Mr. Johnson continued, owns 4,700,000 motor cars and trucks, or about 20 per cent. of the total in the country.

One of the strangest features in connection with automobile statistics Mr. Johnson said, is the fact that only about 20 per cent of the owners of automobiles are protected by Automobile Public Liability Insurance, whereas more than 50 per cent of all cars in use are insured against fire and theft. Mr. Johnson referred to this as "strange" because it brings out such a peculiar short-sightedness on the part of the automobile owning public.

If an automobile is burned or stolen, if someone is killed or injured by that same automobile, it may cost the owner his home, his business, his savings, and everything he owns to the world. The public short-sightedness is shown by the fact that more than 50 per cent of the people will insure an investment of a few hundred dollars, representing the purchase price of their cars, and totally ignore the more probable hazard of killing or maiming someone, which in all probability would cost many thousands of dollars.

The Difference

Between the Cost of Good
and Cheap Printing

It is so slight that he who goes shopping from printer to printer to secure his printing at a few cents less than what it is really worth hardly ever makes day laborer wages at this unpleasant task.

If you want good work at prices that are right, get your job printing

WOMEN'S CLUBS TO
HOLD A "BETTER
HOMES" MEETING

Chicago Ill. Over 50 organizations devoted to household and homemaking comforts, conveniences and improvements, are preparing exhibits for the well-equipped home exposition of the Illinois Federation of Women's clubs to be held here at the Stevens Hotel May 14 to 18, according to an official announcement made by the federation today.

Mrs. J. Marc Fowler, chairman of the federation's well-equipped home committee, announced that special educational exhibits will be shown by the National Dairy Council, American Institution of Baking, American Art Bureau, Better Bedding Alliance of America, University of Illinois, University of Chicago, Chicago Better Business Bureau, Chicago association of Commerce, and the gas, electricity and telephone utility companies of the Chicago area.

Novel features of the exposition will be a model bungalow, chairs adjustable to fit individual members of the household, a demonstration of how rag rugs are made from discarded clothing and a vacuum brush which is a vest-pocket size vacuum cleaner.

The exposition is to be held in conjunction with the federation's thirty-third annual convention and climaxes a four-months' intensive "better homes" drive based on the results of a two-years' state-wide survey of living conditions in Illinois homes. Proceeds are to be turned over to the federation's endowment fund for furtherance of the club women's work.

Churches

Methodist Church Notes

That spring is here is evidenced by the many Chicago visitors we find attending morning worship. It is interesting to hear the favorable comment these folks make regarding our services. The chorus choir has made a wonderful contribution, the new decorating has added so much to make the visitors heart glad, to say nothing of the cordial greeting they receive from the regular attendant. Not all Antioch appreciate the joy of an hour spent in the house of the Lord, or the church would not hold them, however, friend and citizen you will be welcomed to worship.

At the morning service next Sunday the choir will sing "Lead Kindly Light". The sermon will be instructive as well as inspirational, refreshing the mind as well as the soul. The evening service will be equally as attractive. Special music and the preaching service are helpful in the preparation for another week's work. Try it this week end.

MRS. PACINI TO OPEN

HILL TOP TEA ROOM
AT HOME ON MAIN
Next week will see the opening of the Hill Top Tea room at the residence of Mrs. John Pacini on South Main street. The entire lower floor of the home has been given over to the Tea Room and has been decorated and furnished very attractively in tones of green and buff with drapes and fixtures to match. The Woman's club will have a luncheon there on Monday. The opening day for the public will be Tuesday, May 8.

So the People
May Know

that you are in business, come in and let us show what we can do for you in the way of attractive cards and letter heads. Good printing of all kinds is our specialty and if we cannot satisfy you we don't want your business.

PERSONAL MENTION

Miss Susan Tiffany who teaches in Alena is spending her spring vacation at the home of her father, A. N. Tiffany.

"Sailor Maids", May 11

Lawn mowers, worth the money at Chase Webb's.

Troop No. 1 of the Boy Scouts under the supervision of Scoutmaster A. M. Krahli took a hike Friday afternoon to the Dan A. Williams' woods north of town where they prepared their supper in the open. Several of the boys passed the knife and axe test. John Dupre was voted on and elected a member of the Troop.

Trunks and suit cases. Chase Webb.

Lewellyn Van Patten was the winner of the layer cake given away at the Antioch Bakery and Confectionery Saturday evening. It was an appropriate time to win a cake, for Mr. Van Patten as that day was his birthday.

"Sailor Maids", May 11

Richard Abbott went to Chicago for a few days' visit with relatives and friends.

Summer underwear, all sizes at Chase Webb's.

Mr. and Mrs. Frank Hichens of Ringwood were the week end guests of Mr. and Mrs. Homer Gaston and family.

"Sailor Maids", May 11

Oscar B. Olcott of Waukegan and Miss Gladys Koehnke of Antioch were Sunday dinner guests at the R. W. Wildhagen home.

Mrs. E. B. Wise and son of Chicago spent Sunday at the Fred Paasch home.

Best work shoes for \$3.25. Chase Webb.

"Sailor Maids", May 11

Mr. and Mrs. E. F. Krueger, Edna and Clarence Krueger of Kenosha spent Sunday afternoon with Mr. and Mrs. R. W. Wildhagen. Mrs. Krueger is an aunt of Mrs. Wildhagen.

J. Wilson McGee and two daughters Francis and Annabelle of Chicago came today for a visit at the home of Mr. and Mrs. J. C. Nixon. Mr. McGee will return Friday evening but the girls will remain for the coming week.

"Sailor Maids", May 11

Mrs. Will Hanneman and daughter, Miss Valletta, of Burlington were Antioch visitors Wednesday.

Chase Webb was a Chicago visitor Wednesday.

"Sailor Maids", May 11

The south window of the Main Garage has been enclosed and decorated very attractively with auto accessories.

"Sailor Maids", May 11

Mrs. Arthur Maplethorpe who has been quite ill the past week, is much improved.

Mr. and Mrs. James Stearns attended the funeral of a friend in Milwaukee Monday.

Over One Hundred
Attend The Legion
Auxiliary Card Party

The card party given under the auspices of the Legion Auxiliary on Tuesday evening at the Parish House was attended by over one hundred people. Twenty-five tables were at play for bridge, buncos and five hundred. The amount taken in has not yet been determined. Refreshments were served. A number of prizes were awarded.

It's cheaper
to buy the best

MANY men who thought they were saving money by buying cheap overalls have found out their error.

Prove it by buying a cheap overall and an Oshkosh B'Gosh Overall and wearing them every other day. You will still be getting good service from the Oshkosh B'Gosh long after the other is in the rag bag.

You'll be comfortable on Oshkosh B'Gosh days and coming on the others. And you'll be "tuff" cheap overalls for life.

THE FIRST NAT'L BANK

Antioch, Illinois

STATE CAPITOL ITEMS

LINCOLN'S FAMILY
BIBLE PRESENTED
TO CONGRESS

The Bible upon which Abraham Lincoln's hand rested when he took the oath of office as President has been given to the library of congress by Mrs. Robert Todd Lincoln, widow of the president's eldest son.

In addition, the Lincoln family Bible, containing records in Lincoln's handwriting and a gold medal presented to Lincoln's widow by the people of France immediately after her husband's assassination, are included in the gift.

A letter which accompanied the medal, bearing signatures of leading liberals of France, also will be placed on exhibition in the library. The large, black scroll of Victor Hugo is the outstanding signature to the document which expressed the appreciation of the French citizenry for "Lincoln, honest man."

Fostering a proposition of "home rule for Illinois cities" without interference from the State Legislature, the Illinois Municipal League has evolved a set of principles for "free city government," which are to be presented to municipal officials of Illinois for consideration. The league's proposition includes nine suggestions.

At the instigation of Prof. A. R. Hatton of Northwestern University, an expert on municipalities, the league sponsored a movement to obtain a consensus of opinion of public officials on self-government for Illinois cities, in contrast to the present system of ruling municipalities from the legislative chambers at Springfield.

Illinois would be the chief sufferer in the reallocation of radio stations with the ultimate elimination of 143 stations suggested in a statement prepared for submission to the federal radio commission by the National Association of Broadcasters, Federated Radio Trade Association and the Radio Manufacturers Association.

Two procedures are explained in the proposal, one calling for the allotment of 110 stations to each of the five zones, and the other allowing each zone 144.

The 67 licenses in Illinois would be reduced to 39 in one proposal and to the other to 31.

Attorney General Oscar E. Carlstrom has given an opinion to State's Attorney H. E. Fullenwider in which he holds that automobiles of priests, ministers, Salvation Army officers and Reserve home officials are subject to taxation. The question was put up to an assessor in Springfield and a ruling was requested by Mr. Fullenwider.

The Department of Public Welfare is the largest department in the executive branch of the State government. More money is appropriated for it for a greater variety of purposes than is appropriated to any other department of the executive branch or to any State office. The problems of the Department of Public Welfare are of several classes: its care and treatment of human beings who are unable to care for themselves or whose segregation from free society is regarded as necessary; the financing of large institutions, keeping them in repair and adding to them to accommodate the growing numbers of inmates; the education of the blind, deaf and orphaned children and the occupational re-education of the mentally afflicted; research and study the Department contributing to the discovery of the causes of mental delinquency and dependency.

A comprehensive magazine called "Welfare" is published and circulated free of charge. The publication is now in its second year.

Rock Island has voted more than three to one in favor of a \$350,000 bond issue to build a transshipment river terminal. The terminal when completed is to be leased to the Inland Waterways corporation to serve the community.

Secretary of State Emmerson has issued a charter to the 1933 Chicago World's Fair German Building Committee. The corporation will erect an exhibition building on the world's fair grounds at Chicago for the German people.

Cornland has come back Struck by a tornado a year ago, the little central Illinois village has emerged from the wreckage now and highly improved. Within the twelve months the village has effaced practically all of the marks left by the storm. Before the close of summer the scars will have disappeared.

The tornado which struck Cornland originated in southwestern central Illinois, and took toll of life or property, or both, at Carrollton, Lomax, Riverton, Buffalo Hart, Cornland, Chestnut, Lake Fork and Mt. Pulaski, and in intervening spots. A particularly pathetic tragedy in connection with the storm was the death of Annie Keller, teacher of the Cornville school, who was killed in protecting the pupils under her charge.

EXPRESS SERVICE BY
AIR TO BEGIN IN
ILLINOIS MAY 1

Express service by air will be started in Illinois on May 1 on the same planes that now carry mail between Chicago and St. Louis, the American Express Company has announced. A contract between the express company and the Robertson Aircraft Corporation, St. Louis, was signed a short time ago.

Packages sent north will connect with the direct coast to coast service at Chicago, and south, will connect with lines to Dallas, Fort Worth and points in Oklahoma. The planes are being changed somewhat to meet the requirements of the new service, by equipping them with steel compartments in which money and valuables will be carried.

Prevention of Dance
Hall Disasters Asked
By Marshal Legreid

Determined to prevent a repetition in Illinois of the dance hall disaster at West Plains, Mo., in which forty were killed by an explosion in a garage under the dance hall, State Fire Marshal S. L. Legreid has appealed to mayors and fire chiefs throughout the state for co-operation in enforcing rules of his department. One of the rules forbids a public garage in any building used for a school or place of assembly or detention, hotel, apartment, tenement, or lodging house, or within fifty feet of any school, place of assembly or detention.

President Coolidge has been presented with the new Oxford dictionary, the fruit of seventy-three years' effort to standardize and perfect the English language.

Prof. W. A. Craigie presented the dictionary on behalf of Oxford University. A similar ceremony was enacted on the same day in England when King George received the first copy of the twelve-volume work.

Prof. Craigie, who is now attached to the University of Chicago, said that he himself had labored more than thirty years on the work. The dictionary was the result of twenty-three years' gathering of material, followed by fifty years' actual compilation.

General Felix Huston Robertson, 85, the last surviving general of the Confederacy and the youngest man to hold that rank in either the southern or northern forces in the Civil War, died at his home in Waco, Texas, recently.

Charles F. Rodenberg, statistician for the Illinois Tax Commission and resident of Springfield for the last ten years, died in the Capital City a few days ago. He was 68 years old.

Mr. Rodenberg was a brother of Albert D. Rodenberg, assistant attorney general, and was born in Metropolis, Ill. He has been statistician for the tax commission since his residence in Springfield.

One of the most interesting of the stories of Abraham Lincoln's connection with the railroads is concerned with an offer said to have been made to him by the New York Central Railroad to become its general counsel. Some writers on Lincoln treat the story only as tradition, but according to John W. Starr's "Lincoln and the Railroads," the story is as well authenticated as many events in the emancipator's legal career.

Lincoln as a legislator, Mr. Starr points out, was instrumental in fostering the first railroads in Illinois and later he became counsel for the Illinois Central and also represented several other roads. While the records of the New York Central do not disclose that a formal offer was made, according to the New York Central Lines Magazine, there is evidence tending to show that at least a verbal offer had been made.

Movement for Thrift

The thrift movement had its inception in Scranton, Pa., in 1914. The first thrift week celebration took place in Bradford, Ohio, the following year. The national thrift committee was organized in 1917 under the stress of war conditions.

Wisdom of Children

"I had rather take a walk with a wide-awake child than with the wisest man that ever lived," said the philosopher, "for the questions of the child bring out things an older person would never think of."—American Magazine.

"Land of Goshen"

It is a matter in debate just where the Land of Goshen was located. It is not improbable that the Hebrews used the term to designate the whole country between the Brook of Egypt (Wadi el Arish) and the Nile delta.

Hospitals in Factories

Nearly all large industrial plants now have hospitals and doctors on the premises, also organized teams of men and women who are able to turn from their work and administer first aid to the injured.

LAKE VILLA MOTHERS
AND DAUGHTERS ENJOY
BANQUET FRIDAY NITEMass Meeting Held at Hall
To Discuss The Water
Question.

The Mother-Daughter banquet sponsored last Friday evening by the Mother's club was so well attended that all could not be seated at one time, as more had responded to the invitations than had been expected but the program was carried out as well as possible. A short program "Living Mothers of the World" was put on in the main part of the church preceding the banquet. The tables were beautifully in their decorations of yellow and white, and the banquet itself was well served by the chairman, Mrs. Fred Hamlin, and her efficient helpers. Miss Scott led the singing and sang two solos, which the audience enjoyed very much. Mrs. Frank Hamlin gave the toast to the daughters and Miss Margaret Manzer who was to have given the toast to the mothers was well represented by Miss Lena Nelson. Miss Emily Miller, principal of the Washington school, Waukegan, gave a very interesting talk to the mothers and daughters, which showed that she understands girls and boys from her intimate contact with them for so many years. The candle lighting service which was planned to be given, was abandoned; much to the disappointment of those present, because of the crowded conditions, but we hope to be able to have it at our next occasion of this kind.

A mass meeting was held at the hall on Friday evening to discuss the water question. Mr. Buckley was there as attorney, and an engineer was also present to discuss ways and means, probable cost, etc. It is to be voted on this week.

D. R. Manzer transacted business in Chicago last Wednesday.

The San Line buildings have been treated to a new coat of paint which very much improves their appearance.

Mrs. E. Thayer has been confined to her home by illness the past two weeks.

Mrs. Beatrice Sherwood is driving a new Chevrolet Sedan.

Virgil Burnett has been on the sick list the past week.

Mr. and Mrs. James Kerr and their daughter, Mrs. Wm. Weber, Jr., drove to Bloomington last Friday and remained till Sunday with Mr. and Mrs. Edgar Kerr and family. They witnessed the production "The Passion Play" which was presented there.

Miss Mabel Scott spent Saturday in Chicago with a friend, Miss Ruth Carpenter.

Jack Fowles, Jr., spent the week end with Antioch friends.

C. J. Jarvis is making the hotel ready for the summer trade and has been very busy the past few weeks.

services with us. We need you. You need the church.

R. J. L. McKelvey, Minister.

Farmers of Illinois are feeding about 25 per cent less cattle than they were a year ago, the state and federal departments of agriculture have announced on the basis of a survey of conditions as of April 1.

The slump in feeding operations is attributed chiefly to the high price of feeders and to the poor quality or moderate to short supplies of corn. Recent price declines have also held down summer feeding.

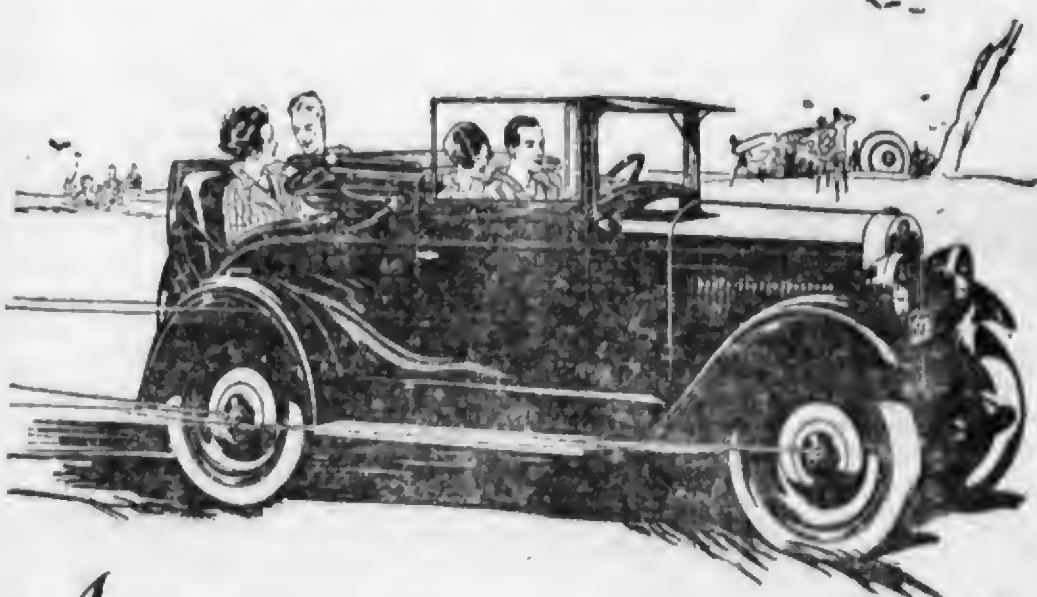

Reports from Illinois feeders generally indicate a marked decrease from a year ago in the summer market movement of cattle.

BRISTOL CHURCH WILL PRESENT "THE COLOR LINE" SUNDAY NIGHT

Knapp Car Demolished Sunday Evening Near Paris Corners.

The following program will be given in the M. E. church Sunday evening, May 6, beginning at 8:00 p. m. Voluntary, Mrs. Blanche Fox; Hymn by congregation; Scripture Reading, Mrs. Sarah Foulke; Prayer; Hymn by congregation; Ladies Trio, Eunice Dixon, Frances Lewis, Elsie Thorne; "The Color Line", a one act play of present day China. Cast of Characters: Henry Lawson—President of the College, Rev. Johnson. Fu Chun—A Chinese Student, Francis Foulke; Barbara McKean—Daughter of a Missionary, Mrs. Johnson, Stanley Preston—A Senior at College, Clifford Jacobson. Wanda Williams—A College Girl, Mrs. Fred Lavey, Miss King—The President's Secretary, Miss Ruby Fox. Offertory, Hymn, Benediction. The above is given under the auspices of the Home Missionary society, directed by Mrs. Jacobson, chairman of committee on program.

Harvey Knapp met with an auto accident Sunday towards evening, while returning home from North Cape. His mother, Mrs. Samuel Knapp and her little granddaughter, Alta Knapp were in company with him. The accident occurred near Paris Corners, when they met a car coming from the south which was driving in a zigzag manner. In trying to avoid being hit or going into a deep ditch Mr. Knapp turned to the left just as the other car swung over striking his car, demolishing it. Mrs. Knapp, who was in the back seat was badly cut with glass about the face and lost so much blood that she is in a weakened condition. Little Alta had her upper lip cut open so that several stitches had to be taken. Harvey was not injured. The car drove rapidly away, but they were located on Monday. Knapp was driving slowly when it happened.

"A Womanless Wedding" will occur at Wesley Chapel Friday evening, May 4. Refreshments will be served. Admission 35c. Come and see the fun.

Mr. and Mrs. Krahn announce the birth of twins, Donald and Janet.

Mr. and Mrs. George Bell of Chicago also announce the birth of twins, a boy and girl. Mr. Bell was a former contractor for digging deep wells and well known in Bristol.

Mr. and Mrs. Emmett Wilson of Oshkosh called on the Clarence Williams family and other old friends last week.

Frank Fox who has been ill resumed his trip on the mail route Tuesday. Frank Eddy of Chicago spent Sunday at the F. Fox home.

Mr. and Mrs. Leslie Gunter have returned from their honeymoon trip to Niagara Falls.

Mr. and Mrs. W. C. Bacon spent the week end with relatives in Harvard and Chicago.

Rev. Berg made a business trip to Aurora last week.

Louis Krahn and family spent the week end with his mother in Harvard, Illinois. Mrs. Krahn and children visited at the George Hebard home in Kenosha Friday and Saturday.

Miss Florence Murdoch is soon expected home, much improved after her recent serious operation.

Little Eugene Jackson, aged five years is convalescing after a serious attack of pneumonia.

The Ladies Aid society will meet Thursday with Mrs. Jorgensen.

Mrs. Ada Dixon has gone to Kenosha to stay at the Homer Hartnell home for a while.

It's All Relative

There wouldn't be any success if there were no failures, because there would be nothing with which to compare success.—Atchison Globe.

Friendly Consideration

Treat your friends for what you know them to be. Regard no surfaces consider not what they did, but what they intended.—Thoreau.

Practical Tip

The way to get rich is to lay up part of your income and as much as possible of other people's.—Boston Transcript.

Clean Up Work at Hand

Our grand business undoubtedly is, not to see what lies dimly at distance, but to do what lies clearly at hand.—Carlyle.

Power to Be Envid

In nothing do men more nearly approach the gods than in giving health to men.—Cicero.

Doubts Not Wanted

I will listen to anyone's convictions, but pray keep your doubts to yourself.—Goethe.

No Windows in Bank

The Bank of England is windowless except for the openings above the entrance.

SALEM NEWS

W. Cummings spent the week end at the home of Mrs. Mary Acker. Rev. and Mrs. Spray and Rev. and Mrs. Monkman and Margaret were Sunday guests at the home of Mrs. Ada Hutton.

Mr. and Mrs. Clyde McKerley are rejoicing over the birth of a baby girl born Wednesday, April 25.

Miss Fannie Armstrong returned to her home in Milwaukee on Sunday after spending a week with Mrs. M.

Acker.

Ruth McCormick and Gwendolyn Shotten wrote on diploma examinations in Wilmet Saturday.

Miss Olive Hope and Miss Josie Loescher attended the Operetta given by the Union Grove high school on Thursday evening.

Chas. Peppe sold two of his houses in the north part of town last week. Mr. and Mrs. Arthur Bloss and Miss Mary Fleming visited relatives in Berwyn Sunday.

Thomas Powell died at the home of his sister, Mrs. Byron Riggs Monday.

April 30. Mr. Powell had been in poor health for about a year and for the past 7 months has been living with his sister, Mrs. Riggs. He was born in Paris, Wis., July 16, 1869 and spent most of his life in Paris and Salem. He was the son of Mr. and Mrs. Chas. Powell and leaves to mourn a brother, Wm. Powell of Milwaukee, two sisters, Mrs. Chas. LaMeer of Bristol and Mrs. Byron Riggs of Salem and Mrs. Harriet Dixon, deceased.

Mrs. Harold Flecker spent the week end with her parents.

Sealed bids will be received until 2 p. m. May 14, 1928, by the Secretary of the Board of Education of District No. 34 (Antioch Grade School) for the erection for a school building at Antioch, Illinois. Plans and specifications are on file in the office of the architect John A. Scribbins, 600 Ver-

non avenue, Glenview, Illinois, and at the home of Fred Hawkins, Antioch. Each bid must be accompanied by a certified check equal to five per cent of the amount. The Board of Education reserves the right to reject any and all bids.

(Signed) Board of Education, District No. 34 Antioch, Ill.

of the right size for the thread and material with which they are to be used.

Speed demands this better oil

Gone are the days when motorists were content to jog along at a moderate pace. Now, fine highways—white ribbons of concrete linking town to town—present an irresistible temptation to step on the gas and send the speedometer flying up.

Shell Motor Oil is competent to meet the strenuous demands of modern driving. Made from crude oils selected for their rich lubricating qualities—to specifications which provide an ample safety factor—by an improved process which avoids the destructive action of extreme heat—this oil has been scientifically refined to have just

the right viscosity (body). It is thin enough to lubricate every whirling metal surface—thick enough to stand the gaff.

Shell Motor Oil—logical running mate for Shell Gasoline—is available at all Shell yellow-red service stations and Shell dealers in the correct grade for your car.

400 "Extra Dry" SHELL Gasoline

Shell Gasoline is EXTRA DRY... unusually free from heavy, greasy, carbon-bearing elements. It vaporizes completely, ignites instantly, burns cleanly, leaving no unburned residue to dilute the oil in the crankcase. It is a quality product... alive with power... better and more expensive to produce, but costs you no more than the ordinary kind.

New Definition of Golf

Golf is what letter carrying, ditch digging, and carpet beating would be if those three tasks had to be performed on the same hot afternoon in short pants and colored socks by portly looking men who required a different implement for every mood.—Weekly Scotsman.

FORESTERS BESTED HERE SUNDAY BY LOCAL BALL TEAM

Four runs in the sixth inning gave the Antioch Ball Team a victory over the Foresters Sunday afternoon of 8 to 5. The winners made four runs in the second, third, fourth and fifth innings in splashes of one and then sewed up the ball game in the next frame. Nelson and Sullivan led the hitting for the winners while Moore topped the losers.

The Wilnot team will come to Antioch Sunday for a game.

"Shorty" Nixon Makes Good on Wesleyan Varsity B. B. Team

Under the caption, "Playing Neat Game," and a full size picture of Lester Nixon, son of Mr. and Mrs. John C. Nixon of Antioch, the Bloomington Pantograph printed the following in Monday's edition:

"Small but mighty, best describes this lad, who has won the regular assignment at second base on the Wesleyan Varsity baseball team. Nixon is a freshman and hails from Antioch, far up on the northern borders of the state.

"He is a neat little felder and is also hitting consistently and with Thompson is taking good care of the keystone sack for Coach Arthur Hills."

Lester is fast developing into an all round athlete. It seems. He was a star in basketball, football and baseball while in high school here and did much toward bringing many trophies to the school's big collection. "Shorty's" friends are glad to see him make good in faster company.

WILTON'S CAR STOLEN IN CHICAGO; SEEN IN LAKE VILLA

The Whippet coach belonging to Mr. Wilton of Salem was stolen while parked in front of the home of relatives he and his wife were visiting last week. Mr. and Mrs. Wilton were making preparations to start home about seven o'clock when a neighbor came in and told them that two men had broken the glass doors and were driving away with the car. No trace of it could be found in Chicago but the next afternoon the car, easily identified because of the broken windows, was seen in Millburn and in Lake Villa. From there all trace has been lost. The car was covered with insurance.

If you want to sell your house
If you want to sell your farm
If you want to buy property
If there is anything that you want the quickest and best way to supply that want is by placing an advertisement in this paper

The results will surprise and please you

Widening the Telephone Horizon

In the memory of many now living, Alexander Graham Bell predicted that the day would come when we could talk to other countries, even across wide expanses of water.

Bell's vision was made a reality when in 1926 America and England spoke together in two way conversation. Since then, this service has been opened to the public between any point in the U. S. A. and Great Britain. Mexico has been brought into speaking distance. Important cities of continental Europe have come within our voice horizon.

Even more important, the Bell System in the United States now embraces 18,500,000 telephones—a growth for the past year of more than 750,000.

This is measurable progress in widening America's telephone horizon.
